## Financial Policy

We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care needed to enjoy a healthy and confident smile with respect to your budget. Patients are encouraged to make inquiries regarding their financial responsibilities and about the fees related to their treatment. We have found that a fully informed patient is a more comfortable patient.

### Payment Options

Payment for services rendered will be accepted in the form of cash, check, Mastercard, Visa, or Discover. Your prompt and responsible attention to your financial obligation is appreciated. Bank financing may be available in certain situations.

### Dental Insurance

We are happy to file the forms necessary to see that you receive the full benefits of your primary dental coverage; however, we cannot guarantee *any* estimated coverage. (Any benefits to be received from a secondary dental insurance policy are your responsibility.) The insurance policy is an agreement between you and your insurance company. We ask that all patients be responsible for all charges. If, for some reason, your insurance company has not paid their portion within 60 days from the start of treatment, you are responsible for payment at that time.

Please notify us of any changes in your insurance coverage before treatment is started.

### Cancellations

The scheduling of an appointment involves the reservation of time specifically for you. A minimum of 24 hours notice is requested for cancellation. Appointments that are missed without this advance cancellation are subject to being billed. Appointments of 2 hours or more are secured with a non refundable deposit.

Thank you for allowing us to be partners with you in the pursuit of excellent dental health!

I have read and understand the above statement:
